

Statue Shipped From Italy for St. Marys Circle

A statue of Christopher Columbus which will stand in St. Marys Circle was shipped to Syracuse three days ago from Italy, it was announced officially this morning at the office of Mayor Rolland B. Marvin, who has received a telegram from Italian Counsel General Grossardi of New York City.

The statue is aboard the Italian liner S. S. Rex, which will dock in New York City July 18, according to the telegram.

The Columbus Monument Association will arrange for transportation to Syracuse and the statue is expected to arrive here within a week after the ship docks. Dedication of the monument is scheduled tentatively for Aug. 1.
